However partisan or selfish a man may e, he has more of less regard for the

than by the horse that he rode when he was elected.

The course of Mr. Smith in the Senate is no enthususm awakened by hopes of

Tather negative.

Mr. Richards has occupied, perhaps unwillingly, a position analogous to that of an attorney. His private interests and personal associations have placed.

The expenditure of the commissariat.

him in an embranesing position when called upon in his legislative capacity to support measures damaging to the rights and interests of his constituents, or to break the ties that connect him with great incorporations. It is perhaps creditable from Bombay to Massowath. to his heart that he that in every case sacrificed the public welfare on the alter a Lapse of 1200 Years. sachliced the public we have on the analysis of private friendship. This is his best excuse for pressing measures to increase State debt and taxes and especially damenting to that section of the State which aging to that section of the State which has been expressed the opinion that the sen

he promptitude with which business is stried through in that branch of the agriculture. Another change seems to navy occurrent in the Legislature in sustaining the fewers in the Legislature in sustaining and the control of the cont Mr. Hamilton is certainly the foremost man in the Legislature in sustaining the welfare of Memphis. His course has not been fully understood, or merchafts, property holders and other worthy citizens of Memphis would be grateful to him. He has good speaker, and his clear, common sense arguments have had considerable effect, but have not in all cases defeated speculative combinations. He has, on party questions, voted with the Radicals, but in other leatances he has often voted one way, and his fellow representatives of one way, and his fellow representatives of Shelby county another. In one case, to hamper a most obnoxious law, he proposed an amendment that was an appeal to the replication of the Rudical major. of the prejudices of the Radical major-ty. This parliamentary dodge was the ground for a littler newspaper attack. the waters of the Arai. His opponent attack would would be would be admitted that such evidence would in

attack would probably not have been made. In resisting encroachments on the prosperity of Memphis, Mr. Hamilton has deserved warm commendation. He opposed the Omnibus Bill, and also demanded certain guarantees to Memphis trade perfect he would be conclusive. Here there exists the ended with the understanding that an Henry is to collect and publish the proofs of his assertion.

The life of Jefferson Baris. tees to Memphia trade before he would Affriend, of Richmond, Va., is preparing vote for the new pecket company.

Death of a Rich Beggar Lie Dies County life history of the surfect, in which nothing will be extended nor aught set rom the Troy (N. Y. Times, 18th.)
We learn from Gen. Miller, one of the ceeds in dramatic interest anything we have read in a long time. Rowall came India was the effort to raise cotton, and to Greenbush a few weeks ago, clothed in rags, thin, emsciated, and apparently half starved, looking the very picture of Eriscopat Bishop Potter has named a Tickets it to En, see ruing to Sebeme.

Among the English people it seems to they will still hold on to their old prices until J. L. VERSER, be an enormous sacrifice of life and ther considerations have led to conside discourse of public but the Government having fully comkinduct, and each of them should be mitted itself, apparently with minch pre-udged upon his individual merits rather cipitation, there is no retreat. The con-

The course of Mr. Smith in the Senate has certainly been more dignified and public spirited, less personal and tricky than his conduct seemed in the House of Representatives. He has not appeared in the Sanate to have so many pet schemes to lobby through, and though he has voted for measure that seemed very objectionable, he has on the whole, appeared to be influenced in a consideration degree, by regard for the interest of his constituents.

Is no enthusiasm awakened by hopes of glory—nothing out apprehension in prospect to find a constituent of a vain excribite of life. In India, the expedition is regarded differently, the spirit of hereken being force leaving India consists of about 12 000 effective soldiers, including 4000 Europeans; besides 8000 followers or attendants. The auxiliaries employed exhibit various oriental characteristics, such as is constituents.

Mr. Ryder has pursued a quiet course elephants, camels, etc. One of the bu in the House. He has voted for all Radical propositions and has done nothing very noticeable except to press the passage of a Mechanic's Lieu law. In no case has he, in maintaining the rights or interests of his white constituents, re-sisted party pressure. His course has been moderate, consistent, quiet and Not less than 24,000 of these long eared

TRIMMING EMPORIUM JAMES G. MOFFATT,

aging to that section of the State which he in part represents. Mr. Richards has noticed with his party on all occasions, but has not been so much an ardent apporter of Radicalism as a decoy, leading his party to support measures that were saumed to secore private advantages. As Speaker of the House he is prompt, and generally correct, and to his familiarity with parliamentary order, is mainly due the promptified with which business is came first into notice in the seventh century, and these two are speaken of for party and the section of the party has a proposed the party has a party has a proposed the party has a party has a proposed the party has a party has a party has a proposed the party has a part outd be All Cost Houses to the contrary

wote for the new preket company.

The Nushville and Northwestern railing for his suddenly collarsed into the hands of a Receiver. By the recently passed Omnibus Bill fit get State bends amounting to \$550,000, and why it should at once go into the possession of the State purzies some folks. Col. Innighted pastellowantly, indefatigable superfittendent, is appointed the Receiver, and Mr. President Barnes retires.

HERNANDO INSURANCE COMPANY.

DIRECTORS:

IN entering upon another commercial year, with the experience of the past, fraught with the many victositudes incident to a changed system of agriculture, and for which most of our planters were little prepared, resulting in heavy loss to planter and merchand, as a experience it ried, we shall adopt a right cash system in our business—them is not provided by the consignation of the past, and make it as much, to more, to promote the interest of our patrons.

Our arrangements for furnishing Scapites, Bagging, Rope, Gunnies, Growites and Previsions as such, that we promise to franks them at our lowest market price, and make it as much, or more, to your interest to order through its, than to purcose in percob.

Hoping to receive your patrons are such, that we promise to franks them at our lowest market price, and make it as much, or more, to your interest to order through its, than to purcose in percob.

Hoping to receive your patrons are such, then a such, that we promise to franks them at our lowest market price, and make it as much, or more, to your interest to order through its, than to purcose in percob.

Hoping to receive your patrons of independent of a PURTABLE EQUALIENCE.
